Good evening

I would like to suggest outlawing, sale and possession of toy firearms, paintball venues, even laser skirmishes.

We were brought up in the 70s to respect firearms, never ever point even a toy firearm at anybody, let alone pretend to kill someone in play. I won't let my children play these games that replicate violence. I know it may sound draconian and old fashioned but it starts at a young age.

Kind regards

Russell Cunningham [REDACTED]
